RE: Formal Level 1 Appeal for Claim #CLM-2026-1124
Patient: Eleanor Torres
Denial Code: CO-18 — Duplicate claim/service received.
Rendering Provider: Dr. Benjamin Patel

Dear Appeals Committee,

We are submitting this formal appeal regarding the adverse determination on Claim #CLM-2026-1124. The service was denied under code CO-18, citing lack of medical necessity or coverage criteria.

CLINICAL JUSTIFICATION & POLICY ADHERENCE:

Pursuant to Medicare Coverage Policy, the patient presented with documented clinical symptoms and failed conservative therapy over a consecutive 6-week period. The rendering provider performed a thorough clinical evaluation confirming that the rendered procedure/service met all indications set forth in the governing medical policy.

ATTACHED EVIDENCE:

1. Complete clinical encounter records and physical examination findings.
2. Prior conservative treatment history, including failed pharmacological therapy.
3. Relevant diagnostic imaging and laboratory reports verifying severity.

In light of the compelling clinical documentation and strict conformity to Medicare Coverage Policy, we respectfully request that you overturn this denial and process Claim #CLM-2026-1124 for full contractual reimbursement.

Sincerely,
Dr. Benjamin Patel
